

Field Hudnall

Field was born and raised in LaGrange Kentucky. Growing up, he chased ducks, geese, turkey, deer and other wildlife with his brother, Clay Hudnall. Field's fondest memory is fishing and hunting in the Ohio River.

He often refers to his lifestyle as that of a "River Rat," and couldn't be happier. His love for the outdoors and desire to succeed made him the most successful competitive goose caller to ever take the stage. Field holds numerous titles including: World Goose calling Champion, 2 Time International Invitational Goose Calling Champion, World Open Goose Calling Champion, World "Live Duck" Calling Champion and many 1st place state and regional titles.
